You can take a walking trip from Vrbno to the Anenský vrch pilgrimage site, which is located in Andělská Hora. Its dominant feature is the church, from which there is a view of the Bruntál region up to Praděd. The whole route follows the red sign. In front of the Anenská myslivna signpost you will pass the Half Mile Cross. The marked cycle route no. 6069 also follows the same path. Drinking water from the Mirkův pramen (Mirkův Spring) will pleasantly refresh you above Vrbno.
