

Historií a přírodou Karlovic Nature Trail

 **8 km**

 **5,3 km**

 **2,5 h**

 **102 m**

This 8 km long circuit leads through the village with branches to the Mořské oko (Sea Pond) (2 km) and Adamov (3.5 km). There are 13 stops where you can learn about the famous history of Karlovice, natural features and special characteristics in the surroundings. The nature trail is connected to other marked circuits that will take you, for example, to the Obří vrch lookout, to the Karlovice-sever Nature Preserve, to the lookout at Kamenná lávka (Kamenná pedestrian bridge), to Pocheňské louky (Pocheňské Meadows) and others.
